**Did you know that there are students in our community who can't afford to learn how to play an instrument or take a music class, even in Belmont?**

Powers annually awards more than \$40,000 in financial aid scholarships to make sure that ALL students have the chance to learn, enjoy music, and succeed. In fact, this year we hope to award \$50,000! Unfortunately, tuition money for our programs doesn't cover scholarship awards, and we need to reach our goal of an additional \$31,000 before our fiscal year ends.

**Our spring "Crescendo!" initiative is about growing together as a family.**

Each of our students, parents, and teachers is an important part of our musical family and support system here at Powers. Together we can help every one of our students succeed.

YOU can help by raising money for financial aid scholarships - use this sheet on your own, or make it a family effort!

**Turn in sponsor sheets and collected donations by May 31, 2016 to be eligible to win a \$100 iTunes gift card! (Details on the back of this sheet.)**

**Imagine what we can do together:**

If every Powers family raised \$20...  
we'd have \$9,460!

If every Powers family raised \$50...  
we'd have \$23,650!

If every Powers family raised \$75...  
we'd have \$35,475!

## **Students & Families: Win a \$100 iTunes gift card!**
