POWERS MUSIC SCHOOL

Spring 2017 Semester Financial Aid Application

Financial Aid applications are accepted on a rolling basis. Please submit this application and all attachments AT THE TIME OF REGISTRATION.

Students will not be registered without a completed financial aid application form. A separate financial aid application must be completed for each student in the family (however, families need only submit one set of the required financial attachments).

Financial aid is based on need. However, recommendation(s) and/or the likelihood of the student benefiting from attending the program are also considered.
